

LONE STAR  **CHAPTER 124**

"An educational group dedicated to preserving and understanding horology"

Lone Star Regional Public Day

Lone Star Chapter 124 is a local chapter of the National Association of Watch and Clock Collectors, Inc (NAWCC). Our members share an interest in horology (the study of timepieces and timekeeping). Every year, we host a regional meeting in Mesquite TX, where Members from all over the country converge to buy, sell and trade watches, clocks and tools. Our chapter offers lectures and an exhibit. The central feature of the meeting is the Mart, which is set up in the largest room of the convention center and contains approximately 250 tables of watches, clocks and tools.

Typically, this regional meeting has only been open to members of the NAWCC. This year we are inviting the public to join us on March 6th 1pm – 5pm and March 7th 8am – 12pm noon. The entry fee is \$15.00 per individual or \$20.00 per couple. Children under 18 are free. A 2-day pass (Friday & Saturday) \$25.00 per individual and \$30.00 per couple. The NAWCC also offers a temporary 4-month membership for \$30.00 or a NAWCC one year 1st time membership for \$52.00. www.nawcc.org The NAWCC memberships will permit the opportunity to join our Chapter meetings, classes and attend all Regional events for the 2020 Regional (you must join the NAWCC by February 13th to register for the banquet). The NAWCC membership prices are in addition to the Lone Star Regional entrance price.

Our exhibit this year is *Carriage Clocks and Tools Used to Repair Clocks*. We will have a variety of clocks on display along with their descriptions and a featured speaker. The exhibit and lectures* are open to the public at no additional charge.

Please check our website for forms, times, information about joining, lectures and demonstrations regarding the **lone Star Chapter 124 Regional**.
